The flickering candles in church can remind us that Jesus is the light of the world. How can we bring His light into the world today? Join Catholic Singer and Songwriter, Vicki Kueppers, as she shares her story of conversion. Vicki will sing music from her CDs, and talk about how we all can become the light that shines in the darkness. Vicki will talk about her experiences that led her away from the Catholic church, and her journey back.

Vicki began her musical career as the daughter of a church organist singing for Catholic masses as a young girl. She went on to perform and tour with her sisters throughout her teens, becoming Miss Minnesota at age 23. Currently, Vicki does radio commercials from her home studio, writes lyrics, songs and jingles. She produces CD's and DVD's for Pacific Entertainment in California which produces Baby Genius products found in Target, Walmart, and other national retailers. Vicki recently composed a new "Divine Mercy Chaplet in Song" and traveled to the Holy Land with Jeff Cavins, leading music for the pilgrimage. She was diagnosed with breast cancer for the second time this past year and has now finished treatment with hopes of a cancer-free future. Vicki and her husband of 21 years, Joseph Kueppers, have 3 children and live in Mendota Heights.
